Non-Profit Participants Example:

Griffin's Guardians:

Griffin's Guardians is a recognized non profit 501(c)3 organization to provide support and financial assistance to children battling cancer in Central New York. We will work hand in hand with the Child Life Specialists at Upstate Golisano Children's Hospital to stay up to date as to what the patients and families current needs are. In addition, we strive to bring awareness to Pediatric Cancer and to provide financial aid in funding for Pediatric Cancer Research.
